

**No. 2677 on the Inc. 5000 list, Romanoff Renovations Reports
Three-Year Revenue Growth of 137%.**

Atlanta, GA August 14, 2015- Romanoff Renovations, a nationally recognized and awarded provider of flooring installation and bathroom renovation services for the nation's largest big box retailer, has been named to the **2015 Inc. 5000 list of America's Fastest Growing Companies**, earning the position of #2677 on the Inc. 5000's annual ranking, and #186 of America's top construction companies.

"We are thrilled and honored to be named to the Inc. 5000," stated Aaron Ribner, CEO of Romanoff. "This recognition is a testament to the vision, dedication and hard work of our entire team."

The Inc. 5000 is a list of the fastest-growing private companies in the nation, compiled by percentage revenue growth over a three-year period. To qualify, companies must be U.S.-based, privately held, for profit and independent—not subsidiaries or divisions of other companies.

"The story of this year's Inc. 5000 is the story of great leadership. In an incredibly competitive business landscape, it takes something extraordinary to take your company to the top," says Inc. President and Editor-In-Chief Eric Schurenberg. "You have to remember that the average company on the Inc. 5000 grew nearly six-fold since 2012. Businesses don't achieve that kind of success by accident."
